3 The question relating to the allocation of work between the two Dy I.G.s of Police ~~[illegible]~~ is separately under consideration in the Prota Branch.

4 At present there is one D.S.P. for Bangalore city, one for Bangalore Dt and a Comr of Police for Civil Station Bangalore. The present proposal is to have a whole time Comr of Police for Bangalore, with two Dy Comrs of Police of the rank of Dt Supt of Police one for the Civil Station area and one for the Bangalore city area, to assist the Comr in the discharge of his duties ~~[illegible]~~ The main reason urged in support of this proposal is to ensure Co-ordination and unification in the matter of work and procedure and to treat both the Civil Station and Bangalore city Police as one unit for the preservation of law and maintenance of order. In these circumstances it is a point for consideration whether there is need for the creation of the post in question

5 As regards the pay of the post it is proposed that it may be fixed at Rs 800-25-900 In this connection it is submitted that the appointment of Junior D.I.G of Police carried the grade pay of Rs 600-50-800 and in Fn. No

Fe. 2779-2838/S.F.A.25-47-2 dated 21st Oct 1947

sanctioning the revision of scales of pay of the Subordinate Gazetted officers of the several Depts. the pay of the Junior D.P.G is fixed at Rs. 800-25-900 which is same as the grade now proposed for the comm But the question of revision of the scales of pay sanctioned in the for. order read above has since been ordered to be taken up for reconsideration in view of this it may perhaps be necessary to await in this matter This is for orders

b. In addition to the grade pay referred to above ~~xxxx xxxx xxxxx~~, it is proposed that the officer posted as comm may also be permitted to draw the allowances attached to the post of the comm of Police Civil Station Bangalore but the Conveyance allowance may be enhanced from Rs 100/- to Rs 150/- p.m

T", K", V" Mr N. V. Babu Reddy as comm of Police Civil Station Bangalore is in receipt of the following allowances

(a) Conveyance allowance Rs 100/- p.m

(b) Hackney carriage allowance Rs 150/- p.m

(c) ~~As regards~~ House Rent allowance for quarters to be engaged by Mr Babu Reddy for his residence he will pay ten percent of his pay the balance if any ever this amount being borne by Govt

It is also for consideration whether this question may also be taken, after a decision regarding the pay to be fixed, is ~~for~~ arrived at This is for orders.

7 mr C. D. Machia is senior to mr Babu Reddy in the cadre of Senior Supts he is at present holding the post of Spl. officer for Anti-corruption Measures and he is drawing a pay of Rs 700 in the grade of Rs 600-50/2-800 which is same as the pay of the junior D. I. G. of police with a duty allowance of Rs 100/- pm The question of the revision of the grade pay of the post of the Spl officer Anti-corruption Measures to Rs 800-25-900 has been ordered to be considered at a meeting of Council

This has been since considered in Council and the revised grade has been approved and orders issued accordingly.

8 Since mr Machia cannot be disturbed, it is proposed that he may be given the grade pay of Rs 800-25-900 and continued in the Anti corruption Branch and that mr Babu Reddy may be posted as Comr of Police on the pay and allowances proposed for the post Hitherto mr Babu Reddy as Comr of Police Visakhapatnam is drawing a pay of Rs 600/- in the grade of Rs 600-50/2-800 together with the allowances referred in para 2 of the notes, except that the CA should Rs 150/- pm
The circumstances leading to the grant of these emoluments are contained in the Sub note dated 15th August 1947 The pay and the allowances to be allowed to mr Babu Reddy as Comr of Police are for orders

Post of Comr of Police for Bangalore city Hurd (Rd)

9 In case Mr Babu Reddy is selected for the appointment of Comr of Police another officer of the rank of Dy. Supt of police will have to be posted to the charge of the Civil Station Bangalore and it will be an addition to the existing number of Supts of Police. It is also proposed that the officer posted to this charge may be given a conveyance allowance of Rs 100/- pm and House Rent Allowance of Rs 50/- pm as in the case of the Supt of Police, Bangalore city. The name of the officer to be posted to this charge has not been mentioned

10. With a view to minimise the extra cost involved thereby, the D.G. of Police proposes the abolition of the following posts

(1) A.S.P. Food Control Duty Davangere

(2) Inspector of Police Food Control Shikarpur
Shimoga Dt

City and the Bangalore Civil Station areas, the creation of additional post of Deputy Inspector General of Police, a rearrangement of work between the Dy. I. Gs of police and the retrenchment of certain temporary posts to keep down extra cost. It is only incidentally that the I.G.P. proposes that Mr Babu Reddi the present Commissioner of police (who is a permanent Senior Supdt of police) may be promoted to the Dy. I.G.P's Cadre.

15) It would therefore be more appropriate if the proposals are in the first instance examined and noted upon in the Administrative Branch. If approved, the papers will be transferred to the protection Branch.

16) The Administrative Branch may also incidentally examine perhaps, whether the nomenclature proposed for the several police Officers such as Commissioner, Deputy Commissioner and Assistant Commissioner fits in with the designations mentioned in the Mysore police Act and Manual and whether it will not lead to a certain amount of confusion while distinguishing them from Deputy Commissioners and Assistant Commissioners of the Civil Service

18) The proposal of the Inspector General of Police is as follows:-

1. to appoint Mr. N. V. Babu Reddy as Commissioner of Police on a pay of Rs.800-25-900 with an enhanced conveyance allowance of Rs.150/- per mensem and placing him in the direct charge of Bangalore City and Civil Station;

2. to appoint one Deputy Commissioner of Police of the status of a District Superintendent of Police on a pay of Rs.300-25-500 for the Civil Station and to similarly designate the present District Superintendent of Police, Bangalore City these two officers being given a conveyance Allowance of Rs.100/- and House Rent Allowance of Rs.50/- each per mensem.

3. to retrench the post of an Assistant Superintendent of Police, Food Control duty, Davangere, and the post of an Inspector of Police, Food Control duty, Shimoga District in order to reduce the extra cost involved in the proposal. The Inspector General of Police also proposes that the designations of the 2 Assistant Superintendents of Police, Bangalore City, may be changed to "Assistant Commissioners of Police" in consonance with the proposed designation of the Commissioner of Police and the ~~Xxxxx~~ Deputy Commissioners of Police.

19) While the proposals of the Inspector General of Police aims at securing the requisite efficiency and prompt despatch of work in the administration of police matters in the City and Civil Station areas under one unified head and thus seems to be generally acceptable, it has to be pointed out at the outset that there are certain legal difficulties in adopting the proposed designations of officers which though on the face of it look trivial renders the entire proposal on detailed examination, rather ~~xxxx~~ acceptable cutting as it does ~~xxxx~~ at the root of the entire question. In so far as City is concerned, the Mysore Police Act is applicable, ~~xxxx~~. This act as it stands at present does not provide for the appointment of Deputy Commissioners of Police and Assisstant Commissioners of Police and it provides only for the appointment of Deputy Inspector ~~xxx~~ General of Police and Assistant Inspector General of Police, Dist. Superintendents of Police, Assistant Superintendent of Police, etc., on the one hand. The point may however be put forward why not these designations be introduced for the Civil Station in place of the ~~xxxxxxx~~ existing designations. But it is to be pointed out that Civil Station Police Laws do not on the other hand admit of such an introduction as it provides only for the appointment of Commissioners of Police, Deputy Commissioners of Police and Asst. Commissioners of Police. So this difficulty seems rather insuperable until and unless Mysore Police Act or the Civil Station Police Laws are suitably amended. Until then the proposals does not seem to be workable as the existing Commis-

Commissioner of Police designated as Deputy Inspector General of Police admitting that it is done so cannot be brought within the purview of the Civil Station Laws nor would the Commissioner of Police as such, have a place under the Police Act for the administration of the police matters in the City area. The only way-out for this difficulty appears to be to designate the existing commissioner of Police as Deputy Inspector General of Police and appoint a Deputy Comm. of Police to Civil Station as in the case of City even though such a course is not quite free from legal objections of the Police Laws. The immediate need for the co-ordination and unification of the control of the two areas under one direct charge cannot be overlooked especially in view of the fact that the entire area has come under one administration and that the present day activities in the entire area can be easily controlled thereby.

20) The proposal of the Inspector General of Police seems to be otherwise acceptable and in the interest of effecient admininstration, neccessary. According to the calculations furnished by the Inspector General of Police the extra cost involved is Rs.201/- per mensem on the basis of the revised scales of pay, but as the revised scales of pay have not been given effect to, there will be a reduction of Rs.50/- in the extra cost ~~involved~~ mentioned above.

One more point which has to be mentioned is that Mr. Eschaiah has been already given a grade of Rs.800-25-900 and it is recommended now to be given to Mr. N.V.Babu Reddy & Shah both of them are junior to Mr. A. Muthoji Rao Scindia to whom this grade of pay has not been so far allowed . So he has to be also allowed this scale of pay ~~and arrears be paid from the date of his promotion~~ 6986. 6/2

The Financial Secretary may be consulted in the matter.

(illegible) 5/2

21) It is necessary that the control in respect of Police matter and administration, in the Civil Station as well as the City & its suburbs is centralised under one

Senior Police officer as early as convenient - In another connection the Rev Comm has sent up a proposal suggesting the bifurcation of the Bangalore Dt having regard to the increase in the volume & complexity of work in the recent years and the necessity of bringing the adm of the Civil Sn integrally into the general scheme of adm for the rest of the State The proposal is under consn

22) The question of having a uniform body of legislation for the entire State (including the Civil Sn) is also separately under consn then the Police law in respect of both the areas will become identical

23) In the meantime it may also be expected that a final decision will have been taken regarding the proposed revision of scales of pay of gazetted Officers of the Police among other Depts

24) I would therefore suggest that the IGP's proposals may be taken into consn about April or May next

25) It is time now that we should place the police administration of the city and the Civil Stations under a United Control It is also necessary to have one ~~Collector~~ District magistrate both for the city and the Civil

Station Necessitates no
doubt require amendment
of the existing laws or
the promulgation of one
set of laws for both the
areas. 26) Pending examination
of the whole question, there
seems to be no insuperable
difficulty in placing both
the areas under one officer
for the purposes of administration
& and control. He will be
called in the two areas
differently no doubt but
that does not cause confusion
or administrative difficulty.
In fact D.G.P. had once
proposed to place both the
areas under the Senior D.I.G

27) I am agreeable to the
I.G.'s proposals of placing
Mr. N.V. Babu Reddy in charge
of both the City and the Civil
Station. He will be known
designated as D.I.G so far
as City jurisdiction is concerned
and will retain the existing
designation for the Civil Station
Since he is assisted by a
Senior D.S.P in the City, his
work will not be very
heavy. There is no need

to have Dy: Comrs of Police either in Kisumu or in the Civil Station. There is no need either to have a different grade for this officer

28) This arrangement would greatly facilitate uniform control and administration of police laws in relation to trial of cases and above all maintenance of law and order.

Final Note by the Home Minister.

Subject.— Proposal to appoint a Commissioner of Police for Bangalore City and Civil Station.

The accompanying papers relate to the proposal to appoint a Commissioner of Police for Bangalore City and Civil Station.

The Inspector General of Police has, with a view to ensure co-ordination and unification in the methods of work and procedure, suggested that both the Civil Station and Bangalore City should be treated as one unit for the preservation of law and maintenance of order that their general supervision and administration should be vested in an officer styled " Commissioner of Police". In this connection the following proposals have been submitted by him:-

(a) To appoint Sri N.V. Babu Reddy as Commissioner of Police on a pay of Rs.800-25-900 with an enhanced conveyance Allowance of Rs.150/- P.M. and to place him in direct charge of Bangalore City and Civil Station;

(b) To appoint one Deputy Commissioner of Police on a pay of Rs.300-25-600 for the Civil Station and to similarly designate the present District Superintendent of Police, Bangalore City, these two officers being given a conveyance Allowance of Rs.100/- P.M. and House Rent Allowance of Rs.50/- each per mensem;

(c) To retrench the post of Assistant Superintendent of Police, Food Control Duty, Davangere and the post of an Inspector of Police, Food Control Duty, Shimoga District in order to reduce the extra cost involved in the proposal.

It is also proposed that the designation of the two Assistant Superintendent of Police, Bangalore City may be changed

to "Assistant Commissioners of Police", in consonance with the proposed designation of the Commissioner of Police and Deputy Commissioner of Police.

While the proposals of the Inspector General of Police aim at securing the requisite efficiency and prompt despatch of work in the administration of police matters in the City and Civil Station area under a unified head, it appears to involve certain administrative difficulties as tne laws applicable to the two areas and the designation of the Police Officers employed in the relative Acts are different.

When the file came to me, I minuted as follows:-

"It is time now that we should place the police administration of the City and the Civil Station under a unified control. It is also necessary to have one District Magistrate both for the City and the Civil Station. These changes no doubt require the amendement of the existing laws or the promulgation of one set of laws for both areas.

N paras 25 to 28 of Note

Pending examination of the whole question, there seems to be no insuperable difficulty in placing both the areas under one officer for purposes of administration and control. He will be called in the two areas differently, no doubt, but that does not cause confusion or administrative difficulty. In fact the Inspector General of Police had once proposed to place both the areas under the Senior Deputy Inspector General of Police.

I agree to the proposal of the Inspector General of police of placing Sri N.V.Babu Reddy in charge of both

the City and the Civil Station. He will be, however, designated Deputy Inspector General of Police so far as City jurisdiction is concerned and will retain the existing designation for the Civil Station. Since he is assisted by a Senior District Superintendent of Police in the City, his work will not be heavy. There is no need to have a different grade for this officer.

The arrangements will greatly facilitate uniform control and administration of Police Laws, investigations, trial of cases and above all maintenance of law and order."

The question was considered at a meeting of Council held on 3rd March 1948, when the following resolution was recorded:-

"Sri N.V. Babu Reddy may be placed in charge of both the City and the Civil Station. He will, however, be designated as Deputy Inspector-General of Police so far as City jurisdiction is concerned and will retain the existing designation for the Civil Station. The seniority of other officers in the Department will not be affected by this decision."

I solicit the gracious approval of His Highness to the resolution of the Council.

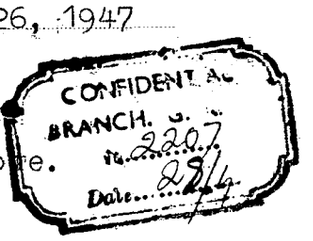
Date November 26, 1947

To

The Chief Secretary
to the Government of Mysore, Bangalore.



Sir,

Appointment of Commissioner of Police for Bangalore City and Civil Station.

I have the honour to state that in order to ensure co-ordination and unification in the methods of work and procedure, which is now lacking, it is very necessary that both the Civil Station and Bangalore City Police should be treated as one unit for the preservation of law and maintenance of order and their general supervision and administration vested in an officer styled Commissioner of Police, Bangalore". The Commissioner of Police may be assisted in the discharge of his duties by two Deputy Commissioners of Police who will hold the rank of District Superintendents of Police. A Deputy Commissioner of Police will be in executive charge of the Civil Station area and another in charge of the Bangalore City area.

2. It is proposed that the Commissioner of Police, Bangalore, may, in addition, be in direct charge of the Special Branch and Motor Branch of the Civil Station.

3 The Commandant, Provincial Armed Reserve Police, will be in charge of the Bangalore Armed Reserve and the Fire Brigade of the Civil Station.

4. When the whole area of Bangalore City and Civil Station is treated as one, the combined area will comprise a population of over eight lakhs and an area of over 26 square miles. The charge of the Commissioner will become heavy and important. I, therefore, propose that the pay of the Commissioner of Police, Bangalore, may

be fixed at Rs.800/- in grade Rs.800-25-900. He may also be permitted to draw the allowances attached to the post of the Commissioner of Police, Civil Station, but the conveyance allowance may be enhanced from Rs.100/- to Rs.150/-.

5. In this connection, I request that Goverment may be pleased to appoint Mr.N.V.Babu Reddy, B.A., Commissioner of Police, Civil Station, as Commissioner of Police, Bangalore, on the pay and allowances proposed to the post. Since Mr.C.I.Machia, B.A., Special Officer, Anti-Corruption - Measures is senior to Mr.Babu Reddy, he may also be given the same grade of Rs.800-25-900 and continued to work in the Anti-Corruption Branch.

6. The proposals involve the creation of an additional post of the rank of a District Superintendent of Police to be in charge of the Civil Station. With a view to see that no extra cost is entailed on account of this appointment, it is proposed to abolish the following temporary posts, which are superfluous:

i) Asst.Superintendent of Police, Food Control Duty, Davanagere, and
ii) The Police Inspector, Food Control Duty, Shikaripur, Shimoga District.

The Deputy Commissioner of Police, Civil Station, may also be given a conveyance allowance of Rs.100/- p.m. and house rent allowance of Rs.50/- p.m. as in the case of the Superintendent of Police, Bangalore City.

7. The designation of the Asst.Superintendents of Police in Bangalore City, may be changed as "Asst.Commissioners of Police".

8. The proposals involve an extra cost of Rs.201-10-8 per month or Rs.2,420/- per annum and I request that sanction of Government may be kindly obtained for the proposals early.

I have the honour to be,
Sir,
Your most obedient servant,

Read:-

Letter No. C.C. 18/47-48 dated
26th November 1947, from the
D.G. of Police, recommending
in the circumstances explained
that proposals for sanction may
be accorded for the appointment
of Comr. of Police for Bangalore
city and Civil Station.

Order No. 6819-22 dated 15/3/48
CB260-47-1

It is with a view to ensure
co-ordination and unification
in the methods of work and
procedure the D.G of Police
has suggested that both the
Civil Station and Bangalore
city should be treated as
one unit for the preservation
of Law and maintenance of
order and that their general super-
vision and administration should
be vested in an officer styled
a Comr of Police. In this connection
the following proposals have

have been submitted by him:—

(a) to appoint Sri N.V. Baker Reddy, as Comr of police a pay of Rs 800-25-900 with an enhanced Conveyance allowance of Rs 150/- pm and to place him in direct charge of Bangalore city and civil Station

(b) to appoint one Dy. Comr of Police on a pay of Rs 300-25-600 for the Civil Station and to similarly designate the present Dt Superintendent of Police Bangalore city, these two officers being given a Conveyance Allowance of Rs 100/- pm and House Rent Allowance of Rs 50/- each pm

(c) to retrench the post of Asst Supt of Police, Food Control Duty, Davangere and the post of an Inspector of Police, Food Control duty, Shimoga, in order to reduce the extra cost involved in the proposal

(d) to change the designation of two Asst Supts of Police Bangalore city to Asst Comrs of Police"

in consonance with the proposed designation of the Comr of Police and Dy Comr. of Police.

While the proposals of the D. G. of police aim at securing the requisite efficiency and prompt despatch of work in the administration of police matters in the city and civil station area under a unified head it appears to involve certain administrative difficulties as the laws applicable to the two areas and the designation of the Police officers employed in the relative depts, are different. But however, agree that it is time that the police administration of the city and the civil station should be placed under a unified control These changes, no doubt, require the amendment of existing laws or the promulgation of one set of laws for both the areas. — Pending examination of

of the whole question, there
seems to be no ~~insuperable~~
difficulties in placing
both the areas under one officer
for purposes of administration
and control.
On a careful consideration of the matter, the
Govt are accordingly of the opinion
~~pleased to direct that~~ it is desirable to entrust
the charge of
Sri N. V. Babu Reddy, Sr. Supt of
Police doing duty as Comr of
Police, Civil Station, Bangalore,
~~be placed~~ in charge of both
the city and the civil station and are pleased to direct
accordingly
He will be designated as
by D. G. of Police so far as
city jurisdiction is concerned
and will ~~retain~~ retain his
as Commissioner of Police
existing designation for the
Civil Station
The above appointment of Mr Babu
Reddy ~~as Dy Supdt of Police~~ will
not affect the seniority of
other officers in the Dept.
